

# PROVICO **RumenSTART** **Calf Muesli**

MUESLI FOR STARTING & GROWING CALVES

**Highly Palatable Formulation with Texture, Whole Grains, and Essential Additives to Promote Rumen Development and Calf Growth**

- ✓ **Bovacillus** probiotic to aid in rumen microbial balance and digestion
- ✓ **Actigen** prebiotic yeast cell wall extract providing rumen support and pathogen binding
- ✓ **Polygain** polyphenol supporting growth, feed efficiency, and antioxidant balance with additional methane abatement benefits

**ProviCo Rural RumenSTART Calf Muesli** is formulated to provide the essential nutrients for young calf growth and rumen development. Muesli's provide additional texture which raise calves' curiosity and encourage earlier intakes.

Designed to be used in partnership with either whole milk or ProfeLAC® milk powders, **ProviCo Rural RumenSTART Calf Muesli** can be used from birth until after weaning.
